

GETABSTRACT REVIEW OF **Strategic Doing**

Ten Skills for Agile Leadership

Edward Morrison, Scott Hutcherson and Elizabeth Nilsen of the Purdue Agile Strategy Lab and their fellow Strategic Doing experts Janyce Fadden and Nancy Franklin offer 10 “agile leadership” skills to optimize your network strategy. The magic happens when members of your network share mutual trust and the courage to change, and combine their skills, knowledge and assets in new ways.

Discussion Questions

1. Which of the 10 skills described in the Abstract do you find the most important?
2. Which skills do you think are missing within your team or company?
3. A key theme in this summary is collaboration. Can you come up with some success stories on how this has helped your team in reaching goals?
4. After reading the summary, is there anything you want to integrate into your work?
