

## GETABSTRACT REVIEW OF **The Speed of Trust**

### **The One Thing That Changes Everything**

Trust forms the cornerstone of credibility and, subsequently, empowerment in any organization, economy, or human relationship. When individuals operate in an environment built on trust, collaboration flourishes, enhancing productivity and enabling faster, cost-effective achievement of goals.

### **Discussion Questions**

1. Reflect on how are your leaders inspiring trust amongst your teams. Are the current methods effective?
2. How do you apply the four cores of credibility to help build self-trust?
3. What strategies should you use to implement the thirteen behaviors of relationship trust with your teams?
