

# Succeed with Intention: Emerging as a Leader in Your Workplace

With Shelmina Abji

Are you unsure of your ability to confidently define what success means to you?  
Are you struggling to effectively allocate your attention to gain maximum returns?  
Are you underestimating your ability to become a leader within your workplace?  
Join Shelmina Abji, acclaimed author of *Show Your Worth: 8 Intentional Strategies for Women to Emerge as Leaders at Work*, for a discussion of the specific strategies she employs to achieve goals, and what it takes to emerge as a leader in your profession. This is a can't-miss event for anyone dedicated to advancing into a leadership role.

## In this webinar, you will

- Discover the importance of intentionally defining what success means to you and why
- Explore what it means to show your worth, and structure your goals around Intention, Application, and Reflection & Celebration
- Learn why attention is a more important resource than time, and how to allocate your attention accordingly
- Develop the skills you need to grow intentionally so that you can achieve both your short-term and long-term visions of success faster

**Shelmina Babi Abji** is a best-selling author and a renowned international public speaker. After starting her career as a software engineer, she moved into sales and sales leadership. She became the highest-ranking woman of color at IBM, where she hired and promoted hundreds of professionals and led global teams to deliver over \$1B in annual revenues. As a global empowerment speaker, she has addressed attendees at companies, conferences, and colleges, including Google, Edward Jones, the National Center for Women in Technology, Black Women in STEM, and Harvard.
